2019 CONVENTION SPONSORSHIP
Houston Safari Club Foundation’s (HSCF) annual Convention is scheduled for January 25-27, 2019 at the George R. Brown Convention Center, Hall E, and the Hilton-Americas-Houston in Houston, Texas. Expo Hall space has been expanded to 104,000 square feet. The three day event provides a tremendous marketing opportunity to reach an affluent, motivated consumer audience. Thousands of people from Texas and around the world gather to celebrate the heritage and promote the future of the outdoors and sport hunting lifestyle.

Hundreds of exhibits, daily and nightly gatherings, auctions and entertainment are just a few of the features of our annual event. Celebrities, dignitaries and key opinion leaders are often in attendance. In addition, HSCF embraces the importance of education and conservation as we recognize our annual scholarship recipients and hunting award winners. Saturday evening’s formal gathering is our apex event featuring live entertainment, Hunter of the Year awards and a grand live auction.

HSCF’s Annual Worldwide Hunting Expo & Convention is our largest fundraiser each year. Proceeds go towards fulfilling our mission of preserving hunting through education, conservation and the protection of hunters’ rights. Your support is the reason we are able to continue this mission.

ABOUT US

Houston Safari Club (HSC) has a strong, successful 45+ year history of implementing its mission statement: education, conservation and the protection of hunters’ rights. In 2018, the Houston Safari Club Foundation (HSCF), a 501(c)(3) non-profit organization, was formed to provide a more focused effort towards making our mission even more impactful. Under our new structure, the Foundation’s primary concentration is education and conservation. Membership, operations and fundraising for non-legislative efforts reside within the Foundation. Operating as a separate entity, Houston Safari Club, a 501(c)(4) organization, is dedicated to legislative and policy initiatives that may affect the future of hunting.

Our members come from a diverse background and have a wide variety of hunting, fishing, outdoor and non-endemic interests. But they all have these things in common-their passion for the outdoors, a love of hunting, a commitment to the responsible management of our national resources, the education of future generations and the protection of our rights and legacy as hunter-conservationists.
OUR MEMBERS

Houston Safari Club Foundation is comprised of passionate people dedicated to preserving the future of the outdoors. Our membership is a diverse network of affluent professionals, with strong purchasing power, engaging in many aspects of life including hunting, watersports, luxury travel, property ownership and more.
